

## Disclosure Policy

The American Society of Plastic Surgeons (ASPS) requires all instructors, planners, reviewers, managers, and other individuals in a position to control or influence the content of an activity to disclose all relevant financial relationships or affiliations. All identified conflicts of interest, must be resolved and the educational content thoroughly vetted by ASPS for fair balance, scientific objectivity, and appropriateness of, patient care recommendations. The ASPS also requires faculty/authors to disclose when off-label/unapproved uses of a product are discussed, in a CME/CE activity or included in related materials. All identified conflicts of interests have been resolved.
